

YOU CAN FEED THE FUTURE ONE BRAIN AND ONE BELLY AT A TIME

EMERGENCY FOOD TODAY FEEDS HUNGRY BELLIES

"We need you to partner with Marion-Polk Food Share and Salem-Keizer Education Foundation to feed the bellies and brains of my 41,000 classmates and friends."

EDUCATION TODAY ENDS HUNGER TOMORROW

"When our bellies are empty, it's hard to sit still, pay attention or learn." A family cannot support a child's learning when they can't put food on the table.

TOGETHER WE CAN ACHIEVE SO MUCH MORE

Salem-Keizer children deserve the best thinking and collaboration possible, and our community deserves our united focus.

This partnership exemplifies the link between health and learning and the well-being of the whole child.

Together, as neighbors, we can create a healthy community in which there is no hungry child.

Here are just a few examples of what your monthly gift can do to feed brains and bellies.

\$10	Is enough to feed a child supper at school for five days
\$30	Is enough for two hours of gardening education for children and their families
\$50	Is enough to fund one meal for a class of hungry school children during winter and spring breaks
	Or to sponsor a child for 8 weeks of afterschool enrichment
\$100	Is enough to provide one adult tutor per child for one week
	Or enough to fund afternoon snacks for 25 students for one week
\$250	Sponsors 20 students in Zumba, soccer or healthy cooking class
