

Scholarship Information

The Salem-Keizer Education Foundation is committed to providing exemplary, challenging, and motivating academic experiences for all students. We have compared our prices to other local options for summer camps and care for school children, and we are confident that we offer competitive pricing.

Scholarships are not available for summer camp sessions this year. We do not have a sponsor at this time.

We would be willing to take weekly or monthly payments toward your student's registration fee, but it must be paid in full prior to the camp date. If you have previously completed a scholarship application with your registration we will consider it only when we have enough students registered already.
